### **LIVE FROM THE BOTTOM OF THE BARREL, July 15, 2009—**

There's poison in the well, ladies and gentlemen. The American people have chosen a risky strategy to jump out of our current economic woes. Those who weigh the data may differ, and that's why they get paid. Those of us humble enough to contribute to the material prosperity of our country can only weigh our common sense against the intrusive Boa Constrictor of the cleverer-er class. Those of us who have no greater interest than survival, and no agenda apart from happiness, have to question the values which have slickened the pole we have to climb back up.

The moral is fight. The fight is right. Don't fret. The price is right. Come on down. You're the next contestant. On...
